# eatris

WAS ACTIVE IN THE FOLLOWING 21 PROJECTS IN 2021

|                                                                                                         |                                                                                     |                            |
|---------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|----------------------------|
| Training the next generation of advanced therapies specialist                                           |    | NOV 01 2019 — DEC 31 2022  |
| Creating a network of genetic and clinical data across Europe                                           |    | JUNE 01 2020 — AUG 31 2023 |
| Biomarker commercialisation tools for researchers                                                       |    | OCT 01 2021 — SEPT 30 2024 |
| Connecting well-established data resources of the COVID-19 data platform                                |    | MAR 24 2021 — DEC 31 2023  |
| Addressing the main challenges faced by SMES developing companion diagnostics (cdx)                     |    | NOV 01 2019 — DEC 31 2022  |
| Delivering innovative scientific tools to support the long-term sustainability strategy of EATRIS in PM |    | JAN 01 2020 — DEC 31 2023  |
| Establishing & coordinating access to rare disease information                                          |  | JAN 01 2019 — DEC 31 2023  |
| Creating a clinical trial platform framework                                                            |  | JAN 01 2020 — DEC 31 2022  |
| Demonstrating an operational EOSC Platform for researchers                                              |  | APR 01 2021 — SEPT 30 2023 |
| Creating an open collaborative digital space for life science                                           |  | MAR 01 2019 — AUG 31 2023  |

Accelerating biomarker discovery and validation to support therapeutics development for neurodegenerative diseases

NOV 01 2021 — OCT 31 2026

Strengthening the coordination and networking of the established European Research Infrastructure Consortia (ERICs)

JAN 01 2019 — DEC 31 2022

Strengthening the research and innovation capacity of the European Reference Networks (ERNs)

MAR 01 2021 — FEB 28 2025

Creating a Clinical Trial Platform Framework

NOV 01 2019 — APR 30 2023

Contributing to the creation of a European Health Data Space

MAR 01 2021 — AUG 31 2023

Stimulating the wider uptake of structural biology across Europe

FEB 01 2020 — JAN 31 2024

Developing recommendations for robust and reproducible personalised medicine research

JAN 01 2020 — JUN 30 2022

Applying innovative approaches to identify the molecular mechanisms in T2D patients

JAN 01 2020 — DEC 31 2023

Increasing the visibility of European RIs to new communities in Europe and beyond

FEB 01 2019 — JAN 31 2022

Accelerating the development of effective vaccines

MAY 01 2017 — APR 30 2023

Establishing a truly sustainable European vaccine infrastructure

JUNE 01 2020 — MAY 31 2022

# meet the community

## EATRIS Coordination & Support Office

**Alex Gardiol**  
Senior Science and  
Business Strategy  
Developer

**Andreu Toni**  
Scientific Director

**Anne Charlotte  
Fauvel**  
Head of EU Affairs

**Anton Ussi**  
Operations &  
Finance Director

**Ben Lydall**  
Finance &  
Sustainability Specialist

**Camilla Santinelli**  
Grants Administrator

**Courtney Stewart  
Ferguson**  
Team Assistant &  
IT Coordinator

**David Morrow**  
Senior Scientific  
Programme Manager  
ATMP and VIIM

**Edwin van  
de Ketterij**  
Clinical Project  
Director

**Eliis Keidong**  
EU Project  
Manager

**Emanuela Oldoni**  
Scientific Programme  
Manager Biomarker  
Platform

**Florence Bietrix**  
Head of  
Operations

**Frank de Man**  
Governance  
& Finance

**Gary Saunders**  
Data Director

### MEET THE C&S TEAM

**Giovanni  
Migliaccio**  
Regulatory Advisor

**Jake Fairnie**  
Head of  
Communications

**Lalageh Masihi**  
Financial Controller

**Lauranne Duquenne**  
Education &  
Training Manager

**Laure Boudaud**  
Head of  
Platforms  
Coordinator

**Lisa Williams**  
Head of  
Administration

**Martin de Kort**  
Senior Scientific  
Programme Manager  
I&T and SM platforms

**Nigel Wagstaff**  
Advisor Innovation  
Support

**Piret Pajula**  
Junior Communications  
Manager

**Rebecca Ludwig**  
Head of Training

**Rosan Vegter**  
Senior Scientific and  
Training Manager

**Sara Zullino**  
Scientific & SME  
Outreach Manager

**Tamara Carapina**  
Senior Legal Counsel

**Dora Wrona**  
Office  
Administration  
Assistant
